

Update

The Nation's Weigh Station Bypass System

February 2007

Online Payments at PrePass.com

You can now pay your PrePass bill online! Simply select the **PAY ONLINE** option at www.PrePass.com and follow the simple instructions. You can make a single payment or set up a convenient recurring schedule of payments. Login information can be found on your current invoice.

Once logged in, you can view your account balance and schedule withdrawals from your checking or savings account. Single payments can be set for any date or amount that you choose, and will post the following business day. Recurring payments will automatically be charged on each due date for the total amount of your bill, for as long as you specify. There is no fee to use the online bill pay option.

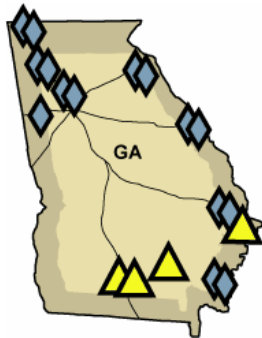

If you have any questions, please contact the PrePass Billing Department at (800) 773-7277, option 5.

New Sites in Georgia

Eight more weigh stations in Georgia were retrofitted with PrePass equipment and brought online at the end of January.

These sites include:

- Columbia EB and WB **Interstate-20**
- Monroe NB and SB **Interstate-75**
- Troup NB and SB **Interstate-85**
- Bryan EB and WB **Interstate-16**

This brings the total number of PrePass sites in the state up to 15 and the total number nationwide to 277. Four additional sites are also under construction in Georgia and are expected to be operational by the end of March.

For an updated map of all PrePass' locations, please visit www.PrePass.com/map.htm.

Device Reminder

All unassigned PrePass transponders should be returned to PrePass or reassigned to another vehicle within thirty (30) days of their removal. Any transponder inactive for longer than that could be considered lost and incur an automatic \$100 charge.

Please return inactive PrePass transponders to:

PrePass Device Returns
510 Parkland Drive
Sandy, UT 84070

To ensure your account is properly credited, please keep a record of each returned device's serial number (beneath the barcode on the back) and retain your shipping tracking number and proof of delivery.

For a current list of all the transponders in your inventory, please contact PrePass Customer Service at (800) 773-7277.
