

PrePass Update

March 18, 2009

Taking It To The MATS

It's that time of year again! The 2009 Mid-America Trucking Show (MATS) – the world's largest trucking show – kicks off this week in Louisville, and PrePass will be one of more than 1,000 exhibitors there. Amidst the many free seminars and showcases, we hope you find time to stop by our booth, say hello to some of our friendly staff, and check out our new **Postcards From The Road** attraction.

**The Mid-America Trucking Show
March 19 - 21, 2009
Kentucky Expo Center
937 Phillips Lane
Louisville, KY 40209
PrePass Booth #11212**

Solar-Powered PrePass

Our northbound "Flagler Beach" site on I-95 in Florida was recently upgraded to run on solar power. This solar-powered site is part of an ongoing effort to make our operations more environmentally friendly. Keep an eye out for more sites like this in the future!

Sign Up For PrePass Auto-Pay

PrePass now offers a convenient automatic payment option, which will help ensure your bypass service is never deactivated due to non-payment when you are out on the road. To sign up, go to www.PrePass.com and access your account by clicking "**My PrePass**" from the navigation bar, or call 1-800-PREPASS (773-7277) and choose option 5 to speak with a billing representative.
