UPDATE

April 2006

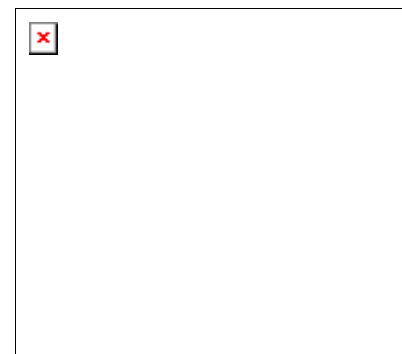

Important Information for Carriers!

If you're hauling hazmat through Ohio, you must have a license from the Alliance for Uniform Hazmat Transportation. If you do, please ignore the signage that states you need to pull into the weigh station. This signage is for non-PrePass carriers only. However, if you do not have this license, you must pull into the weigh station.

To find out how to get a license, please go to <http://www.ncsl.org/programs/transportation/ALLHAZMAT.htm> or call 1-303-364-7700 or 1-202-624-5400.
