UPDATE

August 2006

Driver Appreciation Week Events

In celebration of National Truck Driver Appreciation Week (August 20-26), PrePass will be heading out to several inspection facilities in our founding state of California and dishing up free food for anyone who stops by. No inspections will be conducted during these events and any drivers who are not already enrolled in PrePass can sign up and have their first payment waived. PrePass will also have a booth (#11041) set up at this year's Great American Trucking Show in Dallas. To find out more about these events, please e-mail PrePassMarketing@acs-inc.com.

Help Us, Help You... Please Use Your Account Number

On a typical day, the PrePass Customer Service Center receives roughly 250-500 pieces of correspondence via fax, mail and the internet and fields anywhere from 500-1,000 phone calls!

In order to help us serve you most efficiently and maintain our normal processing time of 3-5 business days, we ask that you please provide your PrePass account number whenever you submit documentation or contact our offices.

You can find your PrePass account number on your invoice; it is in the upper left hand corner, beneath the PrePass logo and right next to your account name.

If you cannot locate your account number, then we ask that you please print your name and return phone number clearly on your paperwork. This way we may attempt to locate your account and contact you if we have any questions

Driver Guides Online

Some changes have recently been made to the PrePass Driver Information Guides—including notifications of new bypass restrictions in the state of Utah for Livestock & Agriculture (including bees) and Non-Divisible Oversize/Overweight Loads. These updated guides are available on our website (www.prepass.com) in a printer-friendly format.

PrePass Champions State Trucking Associations

Our state's trucking associations provide many key benefits to the commercial trucking industry. PrePass has been a major ongoing sponsor of these associations and is a regular attendee at their annual conferences. Among the conferences attended in recent months were those for associations in MS, FL, TX, ID, MN, LA, OR, & GA. We support all these organizations' ongoing efforts to promote the welfare of our industry
