# UPDATE

July 2006

## PrePass Opens 3 New Sites in Utah!

PrePass recently completed the installation of all its weigh station bypassing sites in the state of Utah. All six sites that were committed when Utah adopted PrePass in February 2006 are now fully operational.

The newest site openings were at **Wendover EB & WB** (near the UT/NV border) and at **Echo WB** (near the UT/WY border), all three along Interstate 80.

The openings bring the total number of PrePass sites to 262! Watch for more site openings in the coming months.

## Driver Appreciation Events

PrePass will be at several inspection facilities in California in the month of August. New customers can sign up for PrePass at these events and their first payment will be waived! No inspections will be conducted.

## FL Truck Driving Championships

The Florida Trucking Association's Safety Management Council hosted its annual Truck Driving Championships this past June to recognize the best professional drivers in the state.

Thanks to the Florida Trucking Association for allowing PrePass the opportunity to sponsor and participate in this event.

### FL Truck Driving Championships

In accordance with the PrePass Terms and Conditions, if an unassigned transponder is not re-issued to a new vehicle or returned within 30 days, then your account may be charged a \$100.00 fee for each device. These charges will be assessed periodically, as often as once a month.

In order to avoid being assessed these fees, please return any unused transponders to:

**PrePass**

**Attn: PrePass Device Returns**

**510 Parkland Drive**

**Sandy, UT 84070**

When returning your transponders, we recommend you use a trackable shipping service, such as UPS or FedEx, and retain proof of delivery for your records. If you have questions, please contact our Customer Service Center at 1-800-PrePass.

For more information contact the PrePass Service Center at:
